

## ***Advisory: Delay on SARS IT3(b) submissions***

Practitioners are referred to *Government Gazette* no 36346 of 5 April 2013 in terms whereof attorneys are required to submit information to the South African Revenue Service (SARS) pertaining to the interest earned on behalf of clients.

SARS is aware of the challenges being faced by attorneys in submitting their IT3(b) data. This data is required for both the 2013 tax year and the interim submission for the 2014 tax year.

Due to the challenges that are being faced in complying with the submission requirements, SARS has agreed to delay (not cancel) the submission for these periods, pending a meeting with the Law Society of South Africa to resolve the challenges faced.
