The Attorneys Fidelity Fund and the Law Societies are in the process of automating the 2016 Fidelity Fund certification application and certificate-issuing processes through a secure, online application portal.

It is expected that this will coincide with the publication of the new Fidelity Fund Certificate Application Form during October 2015.

This new application will be a compulsory online application process whereby each member will submit his/her application information through a secure portal.

Attorneys will be advised on the progress and the effective date.

Practitioners are urged to ensure that their contact information at their respective Law Societies is up to date, including cell phone numbers and e-mail addresses.
