As our valued stakeholder, we implore you to heed the directive made by the President as well as the Department of Health.

To minimise risks to you and your loved ones, please take note of the following precautionary measures as recommended by the [National Department of Health website](#)

- ✓ Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitiser.
- ✓ Avoid touching your eyes, nose, and mouth with unwashed hands.
- ✓ Avoid close contact with people who are sick.
- ✓ Stay home when you are sick and try and keep distance from others.
