Dear Ms L Burger and K Devon

INVITATION TO ATTEND ELECTRONIC DEEDS REGISTRATION SYSTEM PROJECT STAKEHOLDER ENGAGEMENT.

The Deeds Registry is excited to announce the stakeholder engagements of the Electronic Deeds Registration System ("eDRS") during the eDRS **Activation Sessions** with you and your conveyancers over the next few weeks.

The **eDRS** is aimed at transforming and modernising the Deeds business landscape and its processes and information technology, to make the deeds registration system and process more effective and efficient for employees, customers, and stakeholders alike.

Our transformation journey started in a few years ago with the enactment of the eDRS Act of 2019. Since then, we have worked hard to ensure that we are best positioned to implement the eDRS in a manner that is collaborative and most of all, human-centred.

Over the next few weeks, we will be scheduling the eDRS Activation Sessions with the conveyancers and we encourage your conveyancers to make every effort to attend the session.

The agenda for the sessions will be provided by the 07th of October 2022 in preparation for the meeting.

See attached the spreadsheet with scheduled dates, time, and venue of the engagements across the provinces.

We look forward to your participation in the session.

Your sincerely

MR PICO MOSHODI
